

FMYFAcademy

~ Our **MISSION** is to deliver a unified **youth recreational football experience** for the youth zoned for Flower Mound.

To The Community:

Introducing the new Flower Mound Youth Football Academy. We are a 501 (c)(3) nonprofit organization gearing up for an exciting fall season of 2nd-6th recreational tackle football. Our Academy is collaboratively led by former high school coaches and we are fully endorsed by Head Coaches Brian Basil of Flower Mound and Mike Alexander of Marcus High School football programs.

Our MISSION is to deliver a unified youth recreational experience for the youth zoned for Flower Mound. Positive, inclusive, and vertically aligned with the philosophies of our local high schools, we will give our athletes the vision of who they can become. We will provide a holistic and scaled developmental journey. Our commitment is to nurture well-rounded individuals who positively impact and contribute to their communities.

We are a 100% Volunteer-Run Organization. In order to meet the financial needs of the program we are asking for the community to help support this new opportunity for the youth. There is not a recreational football program within our community and our youth travel to other communities to participate. We are excited to now offer this opportunity right here and aligned with the Flower Mound high school programs.

This is a great opportunity to support a new program in it's second year. Some of the things that your sponsorship would help to support are field rentals, referees, equipment and uniforms, safety training, safety equipment, and safety personnel.

We hope you will consider being a part of building something exciting for the youth in our community. Registration has already opened and practices start August 19th with the draft to be held July 13th, 2025.

Please see the attached infographic for more details and levels of support. If you have questions or need more information please reach out.
